Refurbished Workspaces available from Spring 2023!

Welcome to Hope Foundry's 200 year old legacy of making and creating in the city of Leeds. Following a £1.4m refurbishment of our Grade II listed building, MAP is pleased to launch a range of new studio spaces for independent creative businesses and organisations, opening Spring 2023. Situated on historic Mabgate, this expanding creative community is a leisurely five-minute walk from Leeds Playhouse and the city's main bus station.

- Straightforward easy in/out terms are available
- Suitable for sole traders or teams of up to 40 people

Get in touch to view the workspace and find out about MAP's vision of growing a unique ecosystem of education, creativity and enterprise to support the next generation of creatives in Leeds.
